	Text-/ Publication- invitation, Comment	One claim about derived intentionality is that it is the intention with which an act is performed that bestows the intentionality on the physical phenomena. Examples of unintentional intentionality are brought forward to argue that intention, be that of an author or a recipient, is not necessary for intentionality.	Unintentional Intentionality, Iulia Nistor		Sept 2023– April 2024	13.10. 19:00	e E
		The booklet includes a 50-shilling note as well as descriptive short sentences with different intentions. Money is not only a quantitative figure, but also expresses the qualitative relation of production, and therefore is not a mere sign. In portions of text, a narrative basis, mood, or sceneries emerge. <u>Whoever runs out of money, dies.</u>	50 Schilling, S.I.G. Verlag, Ulla Rossek		Sept 2023– April 2024		F
		On the usefulness to oppose discourses of justification, led by artists and other agents in the field of art, with a materialist conception of the history of cultural institutions. On abolitionism as a counter tendency to corporatist and formalist approaches of emancipation. In conversation with <u>Sofia Bempeza, History/ies of the art strike.</u>	Cultural Abolitionisms, 2021, 2023 / Des Abolitionnismes Culturels, 2021, 2023, Bauer Verlag, Guillaume Maraud		Sept 2023– April 2024	January 2024* January 2024*	g <sup>1</sup> g <sup>2</sup> G
		Publicness and forms of communication with regard to the futility of an artistic practice within demarcated corporatist consensus groupings. Attempts at an understanding that is contrary to the parameters that define a supposed public. A conversation on site and a recording device for archiving or distribution.	Strategien der Aufstands- bekämpfung / Counterin- surgency Strategies, AKV Berlin, SdA		Sept 2023– April 2024	December 2023	h H
		On reflections on individuation, leading to ontologies in which the party has always already begun (no primal scenes), no separation, no relationality but constitutive relationality. (Epistemological) realisms that postulate the inseparability of being and knowing: on a time that breaks with the scientific and political modernisms of sequentiality.	What Flashes Up: Theological-Political- Scientific Fragments, Karen Barad		Sept 2023– April 2024		i
